This wonderful family home is on the market for the first time and features central A/C, vaulted ceilings, an oversized double attached garage PLUS RV/BOAT PARKING, and backs directly onto a green space/park area at the end of a quiet cul-de-sac, truly an unbeatable location. As you enter the main level, youâ€™re greeted by an abundance of natural light flowing through large windows and expansive vaulted ceilings. The main level features a large living area with south-facing windows and vaulted ceilings, providing plenty of space for family and friends to relax. The spacious kitchen includes a large island with breakfast bar, sleek white appliances including a new dishwasher, ample cabinet space, a large pantry, and a sizable dining area surrounded by windows overlooking the yard. Additionally, youâ€™ll find a large primary bedroom with walk-in closet and 3-piece ensuite, two additional well-sized bedrooms, and a second 3-piece bathroom, making it an ideal family layout. The fully developed basement offers a fourth bedroom along with a large home office space, perfect for those working from home or for a teenager needing their own area.

There's also a large rec room with a freestanding gas fireplace and a spacious laundry room with a brand-new dryer. The large 17x15 undeveloped area in the basement is presently used as a workshop and has plumbing roughed in for a shower, sink and toilet. The window meets Alberta egress requirements which creates the potential for a larger bedroom with ensuite. The backyard is where this home truly shines, backing directly onto a green space with a large deck offering extra outdoor room for the kids to play and a level of privacy not always found in newer areas. This home is within walking distance of Wheatland Elementary School and just a short distance to Strathmore High School, George Freeman K-9, as well as shopping, the Strathmore Aquatic Centre, Highway 1 access, plenty of parks and pathways, and even the local racetrack just 2 minutes away for the adrenaline junkies.
